

AILDM Landscape Design Awards 2006
Winner Category. 4
Commercial/Institute/Public Area Design Under \$90,000.00
Dadirri Healing Garden, Prince Charles Hospital,
Chermside

“Dadirri” Inner deep listening & quiet still awareness

Is a symbolic & tangible gesture of reconciliation to the indigenous people who are clients of the Prince Charles Hospital Health Service District & to the local indigenous community.
is a way of life in Australia & a well designed entertaining area will add value to your property & create a pleasant environment for your family & friends.
